

The background of the entire page is a reproduction of the painting 'The Starry Night' by the Dutch Impressionist painter J.M.W. Turner. The painting depicts a turbulent, swirling night sky filled with bright, glowing stars and a crescent moon. Below the sky, a dark, turbulent sea is visible, with a small boat in the distance. In the foreground, a village with a prominent church spire is nestled on a hillside, illuminated by warm lights from the buildings. The overall color palette is dominated by various shades of blue, with vibrant yellows and oranges for the stars and lights.
